

How to Review ACA Forms Prior to Approval

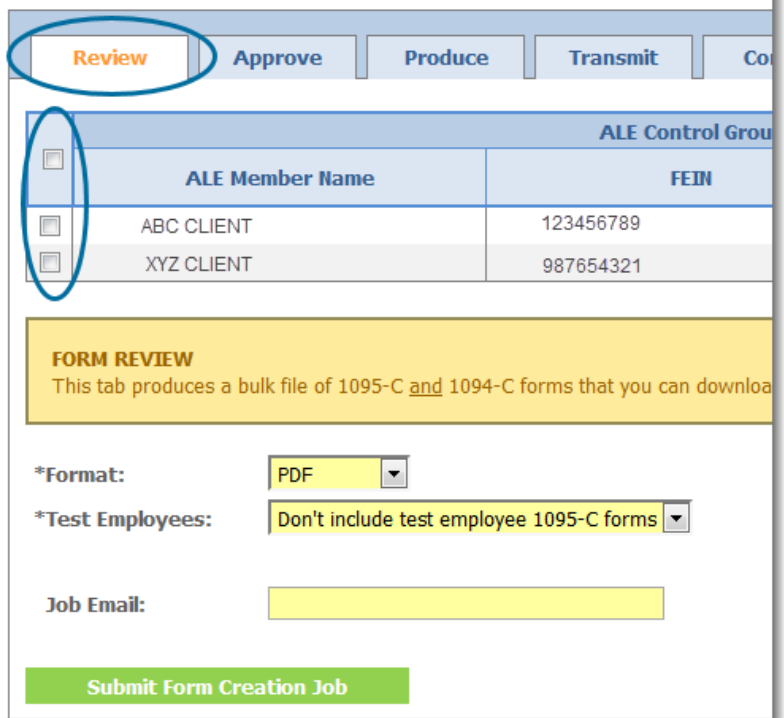

After you've worked out any potential penalties and are ready to Approve your 1095-C forms, it's important that you review your forms in either an excel format or PDF to review the actual forms.

1. Log into the HR Admin Portal. Click on **ACA** then **Form Management**

2. You should default to the **Review** tab. Check off the box next to the Company (FEIN) you want to review.
